BOOK OF LINGERIE FLASHBACK

NOVEMBER/DECEMBER 1989

As the winter of 1989 roared in, Special Editions fans were treated to an early Christmas present when Theresa Ann Presley made her debut in—and on the cover of—the *Book of Lingerie*. With her million-dollar smile and blonde ambition, she appeared in six additional BOLs and in several other SEs. This hot holiday issue was jam-packed with sexy lingerie-clad models and Playmates, including Miss December 1985 Carol Ficatier, Miss September 1988 Laura Richmond, and Lorraine Olivia, who would get the Playmate nod exactly one year later. You can unwrap more lovely ladies from the Eighties by checking out our Website—www.playboyse.com—for available back issues.

The Bare Facts

NANCY ERMINIA Our "outgoing, optimistic and ambitious" cover girl currently works as a personal trainer—which not only helps her stay in shape, but also gives her tremendous pleasure by "helping others feel good about themselves." Outside the gym she enjoys dancing, ice skating, hanging with her little sister and going out with friends. Read more about this fascinating Connecticut beauty on page 3. Vital stats: 5'3", 110 lbs., 34D-24-34. *Gen Nishino, 4, 5, 6-7, 8-9.*

GENEVIEVE MICHELLE One of the most influential people in her life was her eighth-grade math teacher. "He was always so calm and patient with me—even though I never had a clue what was going on!" His kindness inspired Genevieve to work with children too, which she's done since she was 12. "Being able to teach and love less-fortunate kids gives me great joy." *Bo Hitchcock, 10, 11.*

KATHERINE HADORN As readers of the spring *College Girls* know, Katherine is working toward a degree in marketing. She's determined to juggle a successful business career with marriage and motherhood, but first she has to find a "smart, sensitive, buffed" guy to complete the romantic part of the equation. Vital stats: 5'7", 110 lbs., 34-24-34. *Andrew Goldman, 12, 13, 14-15.*

TIFFANY TAYLOR A career in law enforcement is still on track and, like any good cop, she has a favorite doughnut—"Chocolate frosted with rainbow sprinkles!" Joining the police force is Tiffany's way of paying back a debt to officers who came before her. "I always knew that if I needed help, the police would be there. I want to be able to do that for someone else." *Gen Nishino, 16, 17.*

SANDRA WESTGATE Hard to believe, but this hot blonde started out as a shy, cautious kid. "Posing for Playboy really brought me out of my shell. Now I'm charismatic, determined—and wild! When I have a goal, I go after it with a vengeance." Accordingly, she's thrown herself into her Website (www.sandeewestgate.com) with a passion. "I love computers, and my site is awesome! It's going to be huge." Vital stats: 5'6", 110 lbs., 34D-23-34. *Andrew Goldman, 18, 19, 20-21.*

LUCIE FAUBERT This Czech citizen followed her dreams to LA, where she now lives and works. This is her first BOL and third Special Editions appearance. *Guido Argentini, 22, 23.*

AVA MARTINEZ People shouldn't be intimidated by her looks, she says, because "on Sunday mornings I look like a bulldog chewing a wasp—just like everyone else." Even on her best days she's self-effacing about her beauty. "Whenever I'm posing for Playboy I think, Wow, when will somebody tell me I'm in the wrong job and send me home?" Not us. *Byron Newman, 24, 25, 26, 27.*

JODIE ORAM She advises all comers not to mistake her fresh-faced innocence for passivity: "I'm small and cute, but I can be feisty—so don't piss me off!" If her modeling career hits a dead end, she'll go into nursing. But her ultimate dream is to find a great husband, move into a big house and have lots of kids. Vital stats: 5'4", 100 lbs., 32D-23-33. *Byron Newman, 28, 29.*

LANI TODD Fresh from SE cover duties (*Natural Beauties*, which is on sale now), Lani considers herself "responsible, thoughtful, content and sexual." She's drawn to mysterious guys because "men are usually too obvious—and I don't like anything obvious!" Turn-ons? "Fuzzy handcuffs and clothing made from petrochemicals." Turnoffs? "Superegos and hair extensions." Personal motto? "Be free, be true to yourself and have no regrets." *Jarmo Pohjaniemi, 30-31, 32-33, 34, 35.*

JANIE DICKENS Her game plan on a date is to gather as much information as she can, while revealing as little about herself as possible. She's checking if the guy is shy, aloof or without ambition—in which case he'll be little more than a note in her appointment book. She's looking for spontaneity and warmth. Vital stats: 5'9", 123 lbs., 34B-24-35. *Byron Newman, 36, 37, 38-39.*

SUSAN WEISS Timid admirers are advised to approach with confidence, but to act respectfully. Don't serve up any come-on lines and don't brag about yourself, your car, your job, your bank account or who you know—just be yourself. She prefers the shy, uncomplicated type, so being loud or aggressive will also defeat your purpose. *Gen Nishino, 40, 41, 42, 43.*

ERICA SMITHEMAN She admits that her go-to comfort foods—fettuccini Alfredo, Pop-Tarts and doughnuts—won't win any nutrition awards, but a vigorous exercise program and a great set of genes have kept any excess weight off of her 5'5", 115-pound frame. *Gen Nishino, 44, 45.*

BROOKE BERRY Much more than a pretty face, Miss May 2000 is an accomplished athlete (Alpine skiing, running), scholar (twice a female scholastic athlete of the year) and musician (flute, clarinet and tenor sax). What impresses this overachiever? "Fun-loving and talented people. Good abs and pecs seal the deal!" Vital stats: 5'8", 115 lbs., 34D-24-36. *Mizuno*, 46, 47, 48-49.

SARAH ZANE Once an avowed tomboy who didn't mind getting down and dirty, Sarah still likes to play sports with the boys, but now she's "a lot more worried about how I look." She's equally comfortable on the tennis court or in the kitchen. *Gen Nishino*, 50-51.

ARIA GIOVANNI Education has been a priority for this California native since her "introverted, studious" childhood, and she still has a low tolerance for ignorance. Other negatives? "Smoking, conceit and rudeness." Her hobbies include reading, dancing and needlework. *Mizuno*, 52-53, 54-55.

CLAIRE LENG Although she makes it a point to compliment the guy she's with, she thinks men overcompliment the women *they're* with. "A guy should be confident, not fall all over himself when he's with a pretty woman. If he's too oozy, I begin to wonder if he just crawled out of a cave!" Her motto: "Treat them mean, keep them keen." *Byron Newman*, 56-57, 58-59.

ABIGAIL TOYNE Claire's English compatriot shares her tough-love approach to dating. "I always keep them waiting." If the guy is patient, he'll eventually be treated to an "extravagant, expensive" woman who's "a good listener and always fun to be with." *Byron Newman*, 56-57, 58-59.

KATALIN KIRALY On loan from Hungary, Katalin would like to turn the experience she's gained as a model into a career in the fashion industry. With such a hectic professional schedule, there isn't much time for a social life, but eventually she'll direct her energies toward finding the right man. Anybody "stupid or jealous" will be thrown back. A keeper is "intelligent and spontaneous, with great smile, a good body and a big nose." *Byron Newman*, 60, 61.

MACKENZIE WHITE A tendency to appear "too keen" on a date is one of this Brit's weaknesses. But her enthusiasm will instantly vanish if he "dribbles when he kisses. I absolutely hate sloppy kissers!" Vital stats: 5'5", 112 lbs., 34C-24-34. *Byron Newman*, 62-63, 64, 65.

DANIELA GIL Smart, open-minded and outgoing, Daniela is pretty content with the hand she was dealt—except for her hair. "I wish it were straight!" Perfume of choice? Oui by Lancôme. Current wheels? A 1975 BMW. Dream machine? Any sports car. *Mizuno*, 66, 67, 68-69.

PAULETTE MYERS Her enjoyment of all sports stems from the days when she followed her big brothers and their friends around. "That's when I learned the joys of tag-team wrestling!" It follows that she'd want any man in her life to be athletic, too—"but secure enough not to be afraid of losing to a woman." Vital stats: 5'8", 120 lbs., 36D-24-36. *George Georgiou*, 76-77, 78-79.

LYNDEL PRUITT The goofiness that marked her childhood is still very much in evidence, but it's been tempered by a sense of purpose. "I'm still funny and crazy, but I'm also very motivated—and I have a big ol' heart." Vital stats: 5'4", 112 lbs., 36C-23-36. *Andrew Goldman*, 80, 81.

APRIL HANNA Born in Canada, raised in Hawaii and settled in Texas, April has a wanderlust that's an outgrowth of her peripatetic childhood. "I've always had a thirst for travel. But I'll always be the centered island girl, no matter where I go or who I meet." She'll know she's met Mr. Right when "we become best friends who also have amazing sex!" *Andrew Goldman*, 82-83, 84-85.

KRISTIN HAPPERSETT Her three rules of dating? "I never eat spaghetti, I never talk too much about myself and I never—and I mean never—do a cartwheel naked!" Speaking of being head over heels, Kristin knows from experience how to tell when she's in love: "When I'm OK being attached at the hip, when I gain a thorough knowledge of college football, when I see my children in his eyes—and when I don't mind making space in my closet!" *Troy Plota*, 86, 87.

MINNIE GUPTA In 10 years she'd like to be raising a family, running an animal shelter, delving into politics and writing books based on her childhood. For the most part, she gets along great with men, but she's puzzled by their need to "gawk at pretty women so openly, as if we were creatures in a zoo." If you make her laugh, though, she'll forgive an ogle or two. *Gen Nishino*, 88, 89, 90, 91.
